Horror At HOMECOMING

The future is bright for the seniors at Mayhem High.

In the midst of a winning football season, school pride is running rampant at the high school. Not only is competition fierce on the football field, but the students are battling it out for grades, popularity, affection, class ranking as well as the coveted homecoming king and queen title. With so much excitement surrounding the election, everyone is planning on being in attendance at the dance to see who will be crowned royalty.

Will it be the class president who is looking to extend his reign past the student council? The pom pom captain who has used her moves to land more than a homecoming court nomination? Or possibly the math team captain who is desperate to win at something other than a math meet.

While competition breeds excellence, it will also make one guest commit an act of vengeance...

At the dance, the sinister will shimmy among the sinless and try to go unnoticed. With their futures on the line, it will be up to the students and staff of Mayhem High to make sure the felon does not go free.

**Join us for a night of dancing and debauchery at
a homecoming dance filled with deception.**
