Murder in Margaritaland

RULES in MARGARITALAND

Whether this is your first murder mystery experience or your fortieth, each murder mystery experience is different and has different rules pertaining. Here are some tips to review to help make sure the night is an unforgettable experience.

READ YOUR CHARACTER SHEET—This contains your identity and all the information you will need to play your part.

DON'T REVEAL EVERYTHING ABOUT YOUR CHARACTER—While there are many things that everyone needs to know about you, there are some things that should remain secret. Use your discretion as to not give too much away-- you may find out at the party that you are the killer indeed!

DRESS THE PART— It's a proven fact that the more into character you are the easier it will be for you to truly enjoy all the aspects of the night. In addition, it adds to the excitement, the photo opportunities, and your chance to be voted best dressed. See www.nightofmystery.com for costume ideas & resources.

REVIEW THE ISLAND REVIEW—Included in this invite will be The Island Review. Be sure to look over The Island Review, it includes background information on the other guests attending the party. This information may come in useful the night of the party.

USE YOUR MONEY CREATIVELY—Upon arrival, you will receive some money to spend any way you choose. Bribery and blackmail are two of the most common uses we found (and highly encouraged). The wealthiest player at the end of the night will also receive an award for their ability to turn a profit.

Somewhere in the tropics between the Port of Indecision and Southwest of Disorder you'll find that murder meets mayhem and the intrigue begins!

While most vacation at Margaritaland, an exclusive Caribbean resort, to get away from their troubles, for one unfortunate soul, it will mean the end of their travels all together.

Has the lottery winner's luck run out? Will it be the bartender who has served his last drink? Is the honeymoon over for the newlyweds before it even began? Or will the stars collide for one Hollywood superstar?

At the resort, the guilty will mingle among the guests and everyone will be left with the task of deciphering between the facts and falsehoods that plague this paradise in order to make a killer pay for their crime.

It'll be a night of murder & mayhem that will have you searching for more than your long lost shaker of salt.
