Rules at The Bachelorette Party

Whether this is your first murder mystery experience or your fortieth, each murder mystery experience is different and has different rules pertaining. Here are some tips to review to help make sure the night is an unforgettable experience.

Read Your Character Sheet-This contains your identity and all the information you will need to play your part.

Don't Reveal Everything About Your Character-While there are many things that everyone needs to know about you, there are some things that should remain secret. Use your discretion as to not give too much away--you may find out at the party that you are the killer indeed!

Dress The Part-It's a proven fact that the more into character you are, the easier it will be for you to truly enjoy all the aspects of the night. In addition, it adds to the excitement, the photo opportunities, and your chance to be voted best dressed. Please see www.nightofmystery.com for costume ideas.

Review your materials-Included in this invite will be the guest list and a magazine page. Be sure to review these for they include background information on the other guests attending the party. This information may come in useful the night of the party.

Use Your Money Creatively-Upon arrival, you will receive some money to spend any way you choose. Bribery and blackmail are two of the most common uses we found (and highly encouraged). The wealthiest player at the end of the night will also receive an award for their ability to turn a profit.

Mindy's Fling Before The Ring!

With Mindy Mintjulius, a hot designer diva, preparing to don a wedding gown, Mindy's gal pals have planned for one final night out on the town.

As the important people of the bachelorette's past and present gather to celebrate her future, one guest will fall victim and end the night without a future at all...

In a party filled with menacing models, resentful relatives and competitive coworkers, there is only one that will be found guilty and forbidden to go free.

Will it be the jealous sister who desires to be a bridesmaid? The unsuspecting employee who was overlooked for a promotion? The veteran model that is vindicating her spot on the runway? Or possibly the mother of the groom that is as wicked as she is wealthy?

All of the guests are guilty until proven innocent in this puzzling party filled with vengeful vixens and ferocious fashionistas.
