# Murder in Sin City

## *Rules at the Paramount Casino*

Whether this is your first murder mystery experience or your fortieth, each murder mystery experience is different and has different rules pertaining. Here are some tips to review to help make sure the night is an unforgettable experience.

*Read Your Character Sheet*—This contains your identity and all the information you will need to play your part.

*Don't Reveal Everything About Your Character*—While there are many things that everyone needs to know about you, there are some things that should remain secret. Use your discretion as to not give too much away-- you may find out at the party that you are the killer indeed!

*Dress The Part*— It's a proven fact that the more into character you are the easier it will be for you to truly enjoy all the aspects of the night. In addition, it adds to the excitement, the photo opportunities, and your chance to be voted best dressed. See [www.nightofmystery.com](http://www.nightofmystery.com) for costume ideas.

*Review the Vegas Gambler*—Included in this invite will be the Vegas Gambler. Review the Gambler, it includes background information on the other characters attending the party. This information may come in useful the night of the party.

*Use Your Money Creatively*—Upon arrival, you will receive some money to spend any way you choose. Bribery and blackmail are two of the most common uses we found (and highly encouraged). The wealthiest player at the end of the night will also receive an award for their ability to turn a profit.

*You are invited to a party of  
Paramount proportions!*

The Paramount Casino, the largest and most extravagant casino on the Las Vegas strip, is throwing a party to remember. With the highest rollers and the gutsiest gamblers, the stakes are going to be high and there is no limit to what could happen.

Everyone who is anyone in Vegas is sure to be in attendance for this grand event. From the powerful politician to the sexy show girl, the cunning cocktail waitress to Elvis himself— **the guest list is as unlimited as the possibilities of how the night will end.**

Like everything else in Vegas, the party will be a gamble and there is no certainty to the events of the evening. Whose secrets will be exposed? Which lies will be uncovered? And who will fall victim to the lawlessness of the night?
