## *Killer Champagne Chillers*

### **Ingredients:**

1/4 cup honey or corn syrup

12 drops of red food coloring

- In shallow pan, add honey (or corn syrup) and food coloring and mix until blended.
- Dip the rims of your glasses into the mixture one at a time, coating the rims of the glasses.
- Turn upright and let stand to allow the mixture to drip down, resembling blood.
- Place a paper towel around the base of the glass to catch drips.
- Add glass charms (directions in packet).
- You can have these on hand to toast at any time in the night - maybe kick it off at the start of the party with the introduction or when reading the solution!
