

KILLING FOR THE CROWN

MAKING SASHES

Sash made with 2.5" ribbon

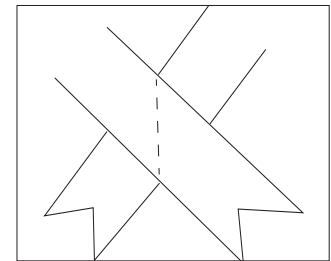

Sash made with 5" ribbon

What you will need:

- Iron-on transfer paper (found at local craft or office supply store)
- An iron
- White ribbon (2.5" - 5" wide)
- White thread and needle

How to make the sashes:

- Print out onto the iron-on transfer paper.
 - You will not need to reverse the image, as it is already reversed.
 - All of the contestants are included with the templates, you will only need to print the pages that you intend to use.
- Cut out the words from the transfer paper, leaving about 1/4"-1/2" trim.
- Cut the ribbon to the length you wish your sash to be.
 - For adult we used about 72"
 - Trim the end to an inverted "V" shape.
- Iron on design to the fabric.
- Fold the sash over your shoulder and sew together the ends of the sash, see diagram.
