# HOST *guide*

## *Thank you for choosing Murder By Midnight*

We are confident that you will find this comprehensive packet to provide everything you will want and need to run your very own murder mystery party—one that will have your guests talking about it for weeks, if not longer.

This murder mystery experience is designed to be easy to run and fun to play for all the guests involved. The game is played with all of your guests having active roles in the game and each guest having objectives to complete. These objectives keep the party from being pre-scripted and allow your guests to draw their own conclusions as to the motives and the identity of the murderer. This format also allows for great mingling among your guests and insures all of your guests feel included. Before the night is through, each guest will have discovered that they have a motive for killing the victim and be inclined to protect their innocence as well as seek out the murderer. To add to the experience and suspense of the night, the murder happens during the party, not before, as in some other murder mystery games. The victim is also allowed to play along after they “die,” since they have no clue who murdered them. Murder By Midnight is certain to be a hit with all of your guests.

The following pages contain a simple list of things you need to do as host in order to have the party run smoothly. Once the party is going, it is up to the guests to make the most of it—something you will be surprised at how well they do.

### *Choosing the Right Version:*

**Versions available:** 8-12 guests, 10-15 guests, 15-20 guests, 20+ guests.

#### **Gender Counts:**

**20+ Guests:** 7+ Male, 7+ Female, 6+ Either

**15-20 Guests:** 5-7 Male, 7 Female, 3-6 Either

**10-15 Guests:** 3-5 Male, 3-5 Female, 4-5 Either

**8-12 Guests:** 2-3 Male, 3-4 Female, 3-5 Either

**Can I upgrade or downgrade between versions after purchase?** Unfortunately, you cannot. With the exception of moving from the 15-20 guest version to the 20+ version, upgrading between mysteries is not an option, which is why we encourage getting an accurate guest count before purchasing.

**How do I get an accurate guest count?** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.

**You can download an invite at:** <http://www.nightofmystery.com/invitations>

**Is this mystery suitable for youths and/or church groups?** No. Our site offers “clean” versions of a few other mysteries on our site: [www.nightofmystery.com](http://www.nightofmystery.com). Please refer to those when hosting a party for a more conservative crowd.

## Assigning Characters

- 
- **As host, you will need to decide upon a character for each of your guests.** The easiest way to assign the characters is to read the character descriptions and match each character with the guest you feel suits that particular character the best. They will be listed in this host's guide, along with a sheet that will help you assign the characters best to your guests.
  - **Is there a set character list?** Yes. You will not be able to pick and choose which characters are included with your mystery. This intro file has the guests listed for the 15-20 guest version. If you are curious about specifically which characters will be included with your purchase, you can email [support@nightofmystery.com](mailto:support@nightofmystery.com) to inquire about that information ahead of purchase.
  - **WHO CAN I ELIMINATE WITHOUT RUINING THE MYSTERY?** Information in mystery purchase.
  - **Because this party is dependent on a minimum number of people showing up,** you need to determine ahead of time which guests are attending before assigning characters.
  - **An accurate guest count is important.** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.
  - **You can download an invite at:** <http://www.nightofmystery.com/invitations>
  - **After purchase, you will not be able to “upgrade” or “downgrade” your party to the next level, so an accurate guest count is imperative.** \*\*There is an upgrade when moving from the 15-20 guests version to the 20+ guest version for purchase on the site, but the 15-20 guest version is the only version where the upgrade works.
  - **How do I get an accurate guest count?** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.
  - **The killer will not know they are the murderer until they open their second envelope at the party.**
  - **The victim will not know they are the victim until they get to the party.** The victim will not have a list of objectives for after the murder. Also listed in their first set of objectives is to, “fall down dead when the lights go off.”
  - **The victim after “death”:** In this mystery, the victim will take on the role of investigator after death.
  - **As host, who should I be?** Information in mystery purchase.
  - **Ideas for assigning couples:** Information in mystery purchase.
  - **Different versions for this mystery:** Adult.

## *Some Frequently Asked Questions:*

**Can I run this as a first-time host?** First-time hosts need not be wary. Night of Mystery parties have everything you need to throw a successful party and are designed to be easy-to-run.

**CAN I PLAY ALONG WITHOUT KNOWING WHO THE VICTIM AND/OR MURDERER ARE?** OF COURSE! Unlike some other mystery parties, we have designed our materials so that the hosts can play along! As host, you will read the host's guide in full to ensure that you are setting the game up correctly WITHOUT letting you know who the murderer is! If you wish to know the murderer, you can simply read the solution.

**Will a murder happen AT the party?** YES again! We found this adds to the excitement, intrigue, and fun of the party! It's another reason why we are a stickler for "no spoilers on social media" – we can't have pictures of the victims for fear of ruining the intrigue for others!

**How can I pick the "right" party theme?** We always recommend you pick the theme that you are most passionate about hosting and/or you believe your guests will be most excited about coming to! We do our best to accommodate multiple sizes within each party theme to accommodate that.

- If having specific gendered roles is important to you, please see the gender counts for the version you plan on ordering.
- Additionally, if you are worried about a mystery being too racy, please see our clean versions.
- If specific characters within a mystery are important to you, reach out to [support@nightofmystery.com](mailto:support@nightofmystery.com) and we can let you know (specifically) which characters are included with the version you are considering.

**Can I run this with my business and/or group organization?** With a business license, you can run these mystery parties with your organized group and/or business. Please see our FAQ for more information on business licenses.

**Do you come and run the party?** We do not. Our services are in providing YOU with everything you need to throw your party in your own home or venue. IF you have a desire for someone else to run your party, please see our resources page for party planners who have purchased our business license and are licensed to run our parties in your area.

**A Note about Social Media:** While we LOVE to see your fun parties – and often highlight and cross-promote those who tag us – we can't have anyone posting pictures of spoilers! This includes, but is not limited to, pictures, videos, or mentions of the victim, murderer, and/or pertinent clues in the game. Since spoiler posts create a calculated loss of business, you can be liable to pay the calculated loss of sales upon discovery of the violation. So keep it fun, crazy, and show us your best spoiler-free content!!! **And don't forget to tag us after! #nightofmystery**

**How does this work?** All of our parties come as a professionally designed 50-125 page pdf. Immediately after completing your order, you will be able to re-login to your account using the username and password you established in the purchasing process. Once in your account, you can download your party (including optional emailable invitations for your guests) for 120 days.

## Hosting Tips

- Included in Mystery Purchase.

### *Making and Sending Invitations*

Each guest must receive: (1) the invitation, (2) The Bel Air Beat and (3) their character description. *Instructions on how to do so included with the mystery.*

### *Preparing the Materials for the Party*

- It is best to view and print all of your materials from Adobe Reader, a free application. Be sure you do not use a Preview Application to print or view materials.
- For the name tag and label pages (optional), they are best printed on adhesive label paper. **Name tag and label pages are compatible with Avery labels 15163, 18163, 5163, 5263, 5523, 5663, 5963, 8163, 8253, 8463, 8663 and 8763.**
- Cut out and make name tags for the guests. You can print the name tags onto on adhesive label paper or print on regular paper and include a pin with the name tags so that the guests can secure them to their outfits.
- Photocopy the printout of the money onto green paper. You will need as many copies as there are guests attending. Trim the money and bundle them in packages of \$500.  
—To skip this step, you can purchase fake/play money.
- Cut the objective sheets in half.
- Label two envelopes with each character's name. Label one envelope with an (A) and one with a (B) for each character. **OPTIONAL:** We have formatted some labels that you can adhere to your envelopes, so that you will not need to label them yourself. Please see the label pages in the Mystery Materials pdf.

In the (A) envelopes place: a name tag, safety pin(s) to adhere the name tag, a bundle of money, and the character's "A" objective half-sheet that has objectives for the beginning of the party

In the (B) envelopes place: the right-side of the objective sheet for each character which has objectives for after the murder happens. **In addition, place the following:** Information included with mystery.

- In a separate envelope place the Investigation Presentation sheet. Label it as "Investigation."
- In a separate envelope place the Evidence Presentation. Label it as "Evidence."
- Place the solution in a sealed envelope and label it "Solution."
- Keep the "introduction," the "investigation envelope," the "evidence envelope," and the "solution envelope" in a convenient location so you can hand them out throughout the night as guests need them.
- Print enough copies of the accusation sheets for the number of guests you have coming. Cut the pages along the dashed lines.

# HOST *guide*

- An average party takes between 1.5-4 hours. Party length will depend on a number of factors, including the number of guests, if you serve a meal, how well your guests mingle, etc.
- The party may be longer if you choose to serve dinner, although much of the mingling done during Stage 2 may be done at the dinner table as well.

## *Stage One - The Guests Arrive*

- Have the guests' name tags, bundle of money and their (A) envelopes available for them.

## *Stage Two - Introduction*

- After all of the guests have arrived, hand Regina Baxter the Introduction and have them read it aloud.
- Have time for guests to mingle and complete their objectives.
  - This may require 30-60 minutes depending on how well your guests know each other.
  - If serving dinner, this may be a good time for dinner to be served.

## *Stage Three - Murder & Investigation*

- When guests start to settle down and you are sure the victim has completed all of their objectives, arrange to have the lights go out.
- When the lights come back on, the victim will have fallen down "dead."
- After the victim has "died," you (as host) can outline the position of the body on the floor or ground.
- Announce to the crowd that Detective Chester will now be joining you to investigate. Have the victim rise and assume the role of Detective Chester.
- Hand Detective Chester the "investigation envelope" and have them read the instructions aloud to the guests.
- Hand the guests their (B) envelopes. *This will have new information and objectives for the guests to complete now that the murder has occurred.*

## *Stage Four - Evidence Presentation*

- When guests have settled down again, Detective Chester has collected all of their evidence, hand Detective Chester the evidence envelope so that they can present the findings of the evidence to the guests.
- It is best if the evidence is then laid on a table so that everyone may see it.
- Give your guests additional time to review the evidence.
- Hand out the accusation sheets. Have guests complete sheets and hand back to you.

## *Stage Five - The Solution*

- After all of the accusation sheets are handed in, use the tally sheet to calculate the winners.
- Have Detective Chester read the solution aloud to the guests.
- Award the certificates to the winners!

From Another Mystery

### Banker Bob

As the bank owner in the town of Deadwood, you do business with many of the people in the town and also some of the participants of the Deadwood Poker Tournament. One of your foremost clients is Harry High-Stakes (the Deadwood Saloon owner). In order to get the saloon established and operating in it's first year, you have loaned Harry a substantial amount of money. Although the saloon appears to be doing very well, you are uncertain why Harry is continually delinquent and sometimes misses his payments on his loan. Just last month, Harry was late again on his payment and you warned him that you will have to put his saloon into foreclosure if he cannot repay the money he owes on the loan by next month. You suspect that Harry is throwing the Deadwood Poker Tournament in order to get enough money so that he can repay his debt. This will be an important week to see if you will gain your money back from Harry's loan or if you will gain control over the saloon.

Because Harry is such a difficult and delinquent client, you hope that you will gain control over the saloon. If the saloon becomes the bank's property, you speculate that you may have a very wealthy buyer in Montgomery Money, an investor from the East. Because of Montgomery's reputation, you are certain that you will make a healthy profit off of selling the saloon to Montgomery and he will be consistent and reliable when making his loan payments.

In addition to all the excitement of the tournament, your bank was held up at gun point. Banker Bonnie (your wife) was watching the bank over the noon hour while you were meeting with Harry about his payments. Because of the high ante for the poker tournament, you are convinced that the robber must have been a gambler who was trying to accumulate enough money to pay for the entry fee. Since you view Sheriff Sam (the sheriff) as a very lazy individual, you plan on taking matters into your own hands when it comes to finding the culprit of the bank robbery and bringing them to justice! In addition, you do not believe that Sheriff Sam is a moral character as well. Just this past week, you saw Sheriff Sam taking money from Harry High-Stakes. While you do not know the details of the transaction, the secretive nature in which the money was exchanged suggests that it was not for an honest reason.

As the Deadwood Poker Tournament Party quickly approaches, you are looking forward to attending for a few reasons. First, the party will be a perfect place for you to talk business with Montgomery Money about his intentions on investing in the saloon if your bank gains control of it. Second, you plan to figure out which one of the poker players may have robbed your bank and you plan to bring them to justice! And lastly, by the end of the night, you will know whether Harry will have enough money to pay off his debt to you or if the saloon will be yours!

**Acting and Dressing Your Part:** As the bank owner of Deadwood, you are a businessman first. Your bank and your money come before everything, including your wife Bonnie. Since you will be using the party to for business matters, you will want to dress dignified for the night. Consistent with the times, you may consider a button down shirt, vest, ascot and hat (bowler, derby, slouch, gambler or other). Popular of the time period, you may also consider adding in facial hair. For more ideas on how to dress and a glossary of wild western words and phrases to use at the party, please see [www.nightofmystery.com](http://www.nightofmystery.com) and [murderatthedeaddwoodsaloon.com](http://murderatthedeaddwoodsaloon.com)
