NOTHING is keeping Regina Baxter  
from throwing her annual

## Baxter Holiday Bash!

And this year the event is guaranteed to be one to remember!

With Bel Air's elite home for the holidays, a cold case becoming hot again, and the battle for the DA position heating up – the party will be nothing short of show-stopping.

As the clan of fanciful neighbors reunite there is excitement in the air until one fateful guest falls down DEAD!!! Leaving the remaining guests to solve the murder.

Will it be the power couple exercising one last move before they head to trial? The budding bourgeoisie on the brink of bankruptcy? Or possibly the social media socialite with so much to lose?

With scandals swirling, the guests must solve the murder in time to make their holidays holly and jolly once again.

Join Us for a Night of  
Murder and Merriment!

## Thank you for choosing a Crime at Christmas Time

We are confident that you will find this comprehensive packet to provide everything you will want and need to run your very own murder mystery party—one that will have your guests talking about it for weeks, if not longer.

This murder mystery experience is designed to be easy to run and fun to play for all the guests involved. The game is played with all of your guests having active roles in the game and each guest having objectives to complete. These objectives keep the party from being pre-scripted and allow your guests to draw their own conclusions as to the motives and the identity of the murderer. This format also allows for great mingling among your guests and insures all of your guests feel included. Before the night is through, each guest will have discovered that they have a motive for killing the victim and be inclined to protect their innocence as well as seek out the murderer. To add to the experience and suspense of the night, the murder happens during the party, not before, as in some other murder mystery games. The victim is also allowed to play along after they “die,” since they have no clue who murdered them. A Deadly Vintage is certain to be a hit with all of your guests.

The following pages contain a simple list of things you need to do as host in order to have the party run smoothly. Once the party is going, it is up to the guests to make the most of it—something you will be surprised at how well they do.

***SPECIAL NOTE:*** *This mystery was previously named Homicide for the Holidays and is the same mystery as a Killer New Years Eve (previously named Murder By Midnight).*

## Choosing the Right Version

**Versions available:** 8-12 guests, 10-15 guests, 15-20 guests, 20+ guests.

### **Gender Counts:**

**20+ Guests:** 7+ Male, 7+ Female, 6+ gender-neutral

**15-20 Guests:** 5-7 Male, 7 Female, 3-6 gender-neutral

**10-15 Guests:** 3-5 Male, 3-5 Female, 4-5 gender-neutral

**8-12 Guests:** 2-3 Male, 3-4 Female, 3-5 gender-neutral

**Can I upgrade or downgrade between versions after purchase?** Unfortunately, you cannot. With the exception of moving from the 15-20 guest version to the 20+ version, upgrading between mysteries is not an option, which is why we encourage getting an accurate guest count before purchasing.

**How do I get an accurate guest count?** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.

**You can download an invite at:** <http://www.nightofmystery.com/invitations>

### **Is this mystery suitable for youths and/or church groups?**

No. Our site offers “clean” versions of a few other mysteries on our site: [www.nightofmystery.com](http://www.nightofmystery.com). Please refer to those when hosting a party for a more conservative crowd.

## Assigning Characters

- **As host, you will need to decide upon a character for each of your guests.** The easiest way to assign the characters is to read the character descriptions and match each character with the guest you feel suits that particular character the best. They will be listed in this host's guide, along with a sheet that will help you assign the characters best to your guests.
- **Is there a set character list?** Yes. You will not be able to pick and choose which characters are included with your mystery. This intro file has the guests listed for the 15-20 guest version. If you are curious about specifically which characters will be included with your purchase, you can email [support@nightofmystery.com](mailto:support@nightofmystery.com) to inquire about that information ahead of purchase.
- **WHO CAN I ELIMINATE WITHOUT RUINING THE MYSTERY?** Information in mystery purchase.
- **Because this party is dependent on a minimum number of people showing up,** you need to determine ahead of time which guests are attending before assigning characters.
- **An accurate guest count is important.** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.
- **You can download an invite at:** <http://www.nightofmystery.com/invitations>
- **After purchase, you will not be able to “upgrade” or “downgrade” your party to the next level, so an accurate guest count is imperative.** \*\*There is an upgrade when moving from the 15-20 guests version to the 20+ guest version for purchase on the site, but the 15-20 guest version is the only version where the upgrade works.
- **How do I get an accurate guest count?** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.
- **The killer will not know they are the murderer until they open their second envelope at the party.**
- **The victim will not know they are the victim until they get to the party.** The victim will not have a list of objectives for after the murder. Also listed in their first set of objectives is to, “fall down dead when the lights go off.”
- **The victim after “death”:** In this mystery, the victim will take on the role of investigator after death.
- **As host, who should I be?** Information in mystery purchase.
- **Ideas for assigning couples:** Information in mystery purchase.
- **Different versions for this mystery:** At this time, only an adult version. In the future, we are looking at making a clean version, and potentially non-binary version as well.

## Some Frequently Asked Questions:

**Can I run this as a first-time host?** First-time hosts need not be wary. Night of Mystery parties have everything you need to throw a successful party and are designed to be easy-to-run.

**CAN I PLAY ALONG WITHOUT KNOWING WHO THE VICTIM AND/OR MURDERER ARE?** OF COURSE! Unlike some other mystery parties, we have designed our materials so that the hosts can play along! As host, you will read the host's guide in full to ensure that you are setting the game up correctly WITHOUT letting you know who the murderer is! If you wish to know the murderer, you can simply read the solution.

**Will a murder happen AT the party?** *YES again!* We found this adds to the excitement, intrigue, and fun of the party! It's another reason why we are a stickler for "no spoilers on social media" – we can't have pictures of the victims for fear of ruining the intrigue for others!

**How can I pick the "right" party theme?** We always recommend you pick the theme that you are most passionate about hosting and/or you believe your guests will be most excited about coming to! We do our best to accommodate multiple sizes within each party theme to accommodate that.

- If having specific gendered roles is important to you, please see the gender counts for the version you plan on ordering.
- Additionally, if you are worried about a mystery being too racy, please see our clean versions.
- If specific characters within a mystery are important to you, reach out to [support@nightofmystery.com](mailto:support@nightofmystery.com) and we can let you know (specifically) which characters are included with the version you are considering.

**Can I run this with my business and/or group organization?** With a business license, you can run these mystery parties with your organized group and/or business. Please see our FAQ for more information on business licenses.

**Do you come and run the party?** We do not. Our services are in providing YOU with everything you need to throw your party in your own home or venue. IF you have a desire for someone else to run your party, please see our resources page for party planners who have purchased our business license and are licensed to run our parties in your area.

**A Note about Social Media:** While we LOVE to see your fun parties – and often highlight and cross-promote those who tag us – we can't have anyone posting pictures of spoilers! This includes, but is not limited to, pictures, videos, or mentions of the victim, murderer, and/or pertinent clues in the game. Since spoiler posts create a calculated loss of business, you can be liable to pay the calculated loss of sales upon discovery of the violation. So keep it fun, crazy, and show us your best spoiler-free content!!! **And don't forget to tag us after! #nightofmystery**

**How does this work?** All of our parties come as a professionally designed 50-125 page pdf. Immediately after completing your order, you will be able to re-login to your account using the username and password you established in the purchasing process. Once in your account, you can download your party (including optional emailable invitations for your guests) for 120 days.

## Hosting Tips

- Included in Mystery Purchase.

## Making the Invitations

Each guest must receive: (1) the invitation, (2) The Bel Air Beat and (3) their character description.

*Instructions on how to do so included with the mystery.*

## Preparing Materials for the Party

- It is best to view and print all of your materials from Adobe Reader, a free application. Be sure you do not use a Preview Application to print or view materials.
- For the name tag and label pages (optional), they are best printed on adhesive label paper. *Name tag and label pages are compatible with Avery labels 15163, 18163, 5163, 5263, 5523, 5663, 5963, 8163, 8253, 8463, 8663 and 8763.*
- Make name tags for the guests. You can print the name tags onto adhesive label paper or print on regular paper, trim them, and include a pin with the name tags so the guests can secure them to their outfits.
- Cut out and trim the wine labels included with the packet. Adhere the labels to seven separate wine bottles that will act as the “exclusive vintages” at the party.
- Photocopy the printout of the money onto green paper. You will need as many copies as there are guests attending. Trim the money and bundle them in packages of \$500.  
—To skip this step, you can purchase and use fake/play money or coins.  
—It is helpful to bundle your money using a paper clip.
- Cut the “A Objectives” sheets in half on the dashed lines. **DO NOT cut the “B Objectives” sheets in half.**
- Label two envelopes with each character’s name. Label one envelope with an (A) and one with a (B) for each character. *OPTIONAL: We have formatted some labels that you can adhere to your envelopes, so that you will not need to label them yourself. Please see the label pages in the Mystery Materials pdf.*

**In the (A) envelopes place:** a name tag, safety pin(s) to adhere the name tag, a bundle of money and the half-sheet of the character’s objective sheet that has objectives for the beginning of the party.

**In the (B) envelopes place:** the full-sheet (B) objectives sheet for each character. **In addition, also place:**

- You will need to prepare Detective Chester’s “B” envelope. Insert Detective Chester’s name tag, evidence and “B” objectives into their envelope. (You do not need to add money, as the guest will have money from the first half of the party.) *After “death,” the victim will assume role of Detective Chester and will need this information.*
- In a separate envelope place the Investigation sheet. Label it as “Investigation.”
- In a separate envelope place the Evidence Presentation. Label it as “Evidence.”
- Place the solution in a sealed envelope and label it “Solution.”
- Keep the “introduction,” the “investigation envelope,” the “evidence envelope,” and the “solution envelope” in a convenient location so you can hand them out throughout the night as guests need them.
- Print enough copies of the accusation sheets for the number of guests you have coming. Cut the pages along the dashed lines.

# Host Guide

- Most likely, the party will take 2-4 hours. The party length will depend on a number of factors, including the number of guests, if you are serving dinner, how well your guests mingle, etc.
- The party may be longer if you choose to serve dinner, although much of the mingling done during Stage 2 may be done at the dinner table.

## Stage One - The Guests Arrive

- Have the guests' name tags, bundle of money and their (A) envelopes available for them.

## Stage Two - Introduction

- After all of the guests have arrived, hand Regina Baxter the Introduction and have them read it aloud.
- Have time for guests to mingle and complete their objectives.
  - This may require 30-60 minutes depending on how well your guests know each other.
  - If serving dinner, this may be a good time for dinner to be served.

## Stage Three - Murder & Investigation

- When guests start to settle down and you are sure the victim has completed all of their objectives, arrange to have the lights go out. *\*\*The victim is instructed in their starting objectives to "discreetly let the host know when they have completed their objectives."*
- When the lights come back on, the victim will have fallen down "dead."
- After the victim has "died," you (as host) can outline the position of the body on the floor or ground.
- Announce to the crowd that Detective Chester will now be joining you to investigate. Have the victim rise and assume the role of Detective Chester.
- Hand Detective Chester the "investigation envelope" and have them read the instructions aloud to the guests.
- Hand the guests their (B) envelopes. *This will have new information and objectives for the guests to complete now that the murder has occurred.*

## Stage Four - Evidence Presentation

- When guests have settled down again, Detective Chester has collected all of their evidence, hand Detective Chester the evidence envelope so that they can present the findings of the evidence to the guests.
- It is best if the evidence is then laid on a table so that everyone may see it.
- Give your guests additional time to review the evidence. *You may want to make multiple copies of the evidence so that it can be seen by everyone.*
- Hand out the accusation sheets and ask everyone to complete them and hand them back to you during this time.

## Stage Five - The Solution

- After all of the accusation sheets are handed in, use the tally sheet to calculate the winners.
- Have Detective Chester read the solution aloud to the guests.
- Award the certificates to the winners!
