Night of  
Mystery

# Welcome to Night of Mystery

Your party planning alibi has arrived.

Thank you for sneaking a peek into the world of **Night of Mystery**, where we make hosting a murderously fun party as easy as pie... poison pie, that is.

If you're looking to throw a **one-of-a-kind event** that's equal parts excitement, intrigue, and laughter, you're in the right file. Our downloadable mystery party kits are packed with **everything you need** to effortlessly **plan and host a killer evening**—no detective license or acting degree required – and are **guaranteed to make a lasting impression** on everyone in attendance!

## What Makes a Night of Mystery Party So Dead Simple?

We do the dirty work, **you get the glory.**

Each mystery packet includes **clear, step-by-step guides** that walk you through every part of the party—from sending invites to solving the murder. Whether you're a first-time host or a seasoned sleuth, you'll **feel confident setting the scene** for mayhem.

## No scripts. No stress. Just good old-fashioned scandal.

Guests receive **character profiles** filled with juicy secrets and fun objectives—think “get the gossip,” “blackmail a rival,” or “clear your name”—so the **party flows naturally**. The **game is social and interactive**, not stiff or overly structured. Your guests will be **mixing, mingling, and accusing like pros**.

## The mystery unfolds during the party.

Unlike other games where the murder happens before guests arrive, **our victim meets their untimely end mid-party**. This keeps everyone **engaged and guessing**—and gives every guest a reason to look over their shoulder.

## Everyone's involved.

**Each guest gets an active role** in the story, with their **own motive and goals**. No one's stuck on the sidelines, and everyone has a reason to dive in. Even the victim and the killer don't know their fate until after the game begins—**so no spoilers here**.

## Instant access.

All of our mysteries are delivered as downloadable PDFs and available **immediately after purchase**. That means you can **start plotting (and planning) tonight**.

If you're **ready to host a party** that's easy to pull off, impossible to forget, and guaranteed to have your guests buzzing long after the killer is caught—then **CONGRATULATIONS DETECTIVE**. You've just solved the case of **who throws the most unforgettable parties**.

### Killer Track Record!

With **over 128,000 parties** hosted in **147 different countries** - and celebrating **20 years of immersive fun!**

# How to Play

## Our mix and mingle format.

1

### Guests Arrive in Character

Each guest receives a character description and party background with their invitation, so they can arrive ready to play their part from the start.

2

### The Host Sets the Scene

You'll kick things off by reading the party introduction, giving everyone the lay of the land—and a few hints at what's to come.

3

### The Game Begins

Guests receive their first set of objectives and start mingling, snooping, scheming, and sleuthing while enjoying the party.

4

### The Murder Strikes!

That's right—someone goes down, and the mystery kicks into high gear.

5

### The Investigation Deepens

An "Investigator" (played by the host or a guest) reads instructions for how the game continues. Guests receive new objectives and info to stir the pot even further.

6

### The Evidence is Revealed

More clues are uncovered. Guests review the evidence and begin forming their final theories.

7

### Accusations Fly

The host hands out accusation sheets. Guests make their final guesses about whodunit and vote for fun superlatives like Best Dressed or Best Performance.

8

### The Big Reveal

The Investigator reads the dramatic conclusion and the murderer is exposed! The host hands out awards—and maybe a few gasps echo across the room.

**That's it! No scripts. No pencils. No complicated process.**

**Just mingling, mayhem, and a good old-fashioned murder—solved through socializing and sleuthing.** Everyone participates as much (or as little) as they like, making it **lively, spontaneous, and fun for every kind of guest.**

### Improv Encouraged!

Each guest receives detailed motives, secrets, and objectives, so **each night is unique, spontaneous and hilariously unpredictable!**

# Frequently Asked Questions

## Can I run this as a first-time host?

**Absolutely.** **Night of Mystery** games are designed to be easy to run—even if you've never hosted before. Our step-by-step guides **walk you through everything** from character assignment to final reveal, so **you'll feel like a seasoned sleuth from the start.**

## Can the host play too?

**Yes!** Our games are **crafted so that the host can participate fully** without knowing the killer or the victim. Just skip the solution file until after the party. **You'll still be able to set up everything correctly** while keeping the mystery alive—even for yourself.

## Does the murder actually happen during the party?

**You bet it does.** We believe the **murder should be part of the night's drama**—not something that happens offstage. That surprise moment **keeps the energy high** and your guests guessing. **Just remember:** no spoiler pics on social media!

## How do I choose the right theme?

Pick a theme that **excites you** and **fits your guests.** Whether you're into roaring speakeasies or tropical whodunits, **we've got something that'll spark excitement.** Unsure about character makeup or content? Check the gender breakdowns, explore our clean versions, or **[email us for details](#)** on which characters appear in each version.

## Can I use this for a business or organization event?

**Yes!** With the appropriate business license, our games can be used for company parties, fundraisers, and public events. **Check our Business Use FAQ for more details.**

## Do you send someone to run the party?

**Nope—we equip you to be the mastermind.** But if you'd like someone else to run the show, check our list of licensed party planners who have purchased our business license and are certified to host **Night of Mystery** parties in select areas.

## Can I share party pics on social media?

**Yes please! We LOVE seeing your parties** and often feature spoiler-free content. But here's the deal—**no photos or mentions of the victim, murderer, or key clues.** Posting spoilers could result in a loss of sales and liability for damages. Keep it fun, keep it clever, and **don't forget to tag us at [#nightofmystery](#).**

## How do I access my mystery after purchase?

All of our games are **professionally designed PDFs.** Once you complete your order, you'll **receive instant access** through your account. You can log in and download your materials—including optional email invitations—for up to 90 days after your purchase.

“Fun”, “Had a blast”, and, “What a great time”, are all understatements! There are no words to accurately describe **the amount of fun everyone had** eating, drinking, portraying their character and trying to **solve a murrdderrrr.**

# Selecting Your Mystery Crew

## Assigning Characters & Preparing Your Guest List

- **Assign characters:** As host, you will **assign each guest a character**. Review the character descriptions and match each role to the guest **who best fits that personality**. Character descriptions and an assignment sheet are included in this host guide.
- **Is there a set character list? Yes.** The characters are fixed and cannot be swapped. This intro file lists the characters for the 15–20 guest version. If you would like to know the exact characters before purchasing, email [support@nightofmystery.com](mailto:support@nightofmystery.com).
- **Which characters can be eliminated? Instructions** for reducing the character count without affecting the mystery **are included with your purchase**.
- **Confirm attendance first:** Since the party requires a minimum number of players, confirm who is attending before ordering the party and assigning characters.
- **RSVP timeline:** Send invitations with an RSVP deadline about two weeks before the party. After guests RSVP, send their character sheets and party details.
- **Download invitations here to get an accurate guest count:** <http://www.nightofmystery.com/invitations>
- **Party size: After purchase, party sizes cannot be changed.** The only exception is upgrading from the 15–20 guest version to the 20+ guest version, which can be purchased separately. An accurate guest count is important.

## About The Murder

- **The killer:** The murderer will not know they are the killer until they open their second envelope during the party.
- **The victim:** The victim will not know they are the victim until they arrive. Their first objectives will instruct them to “fall down dead when the lights go off.”
- **After the victim “dies”:** The victim will come back to life and conduct the investigation.
- **Host role:** Guidance on which character the host should play is included in the mystery purchase..

The Night of Mystery games definitely **go more in depth** and are **more interactive** than the other ones we have played and you have **more freedom with your character** to sleuth on your own. **I love how many details you get** to go with your backstory.

## VINTAGE RELEASE PARTY TO BENEFIT THE COMMUNITY!

In a wonderful twist this year, the Annual Vintage Release Party will double as a fundraiser. This exclusive event has become a yearly tradition where the hottest vintners in the valley (and beyond) come to share one bottle of their the most recent vintage before it hits the market.

This year, Charlotte Chardonnay has offered to host the party and run it as a fundraiser. Charlotte is taking after her father, Charles Chardonnay, who was always strove to give back to the community. Sadly, Charles passed away six months ago from a heart attack. All funds will go to the regeneration of the Cabernet Cellars vineyards that were lost in a fire this past season. With their vineyards gone, Cabernet Cellars has not been able to produce a viable vintage this year. Those attending this year's party will include:

**Catherine Chardonnay / Owner, Chardonnay Crest** – Is Catherine lost without her husband or stealthily building the biggest winery in the valley? Catherine's intentions are as unclear as her proclamations.

# SAMPLE CHARACTER DESCRIPTION

## MURDER AMONG THE MATEYS

### Blackspot Bailey

Ye be the widow o' Smarmy Nigel Grimm, a dread pirate lost to the merciless hands o' fate. Raised side by side, ye and Nigel dreamt o' spendin' yer days together, forever entwined in love's hearty embrace. Upon reachin' the bloom o' adulthood, the two o' ye tied the knot afore Nigel set sail as a merchant sailor. But as the seas turned darker with the rise o' piracy, Nigel's ship was seized by cutthroats, leavin' him jobless and near death. Forced to the pirate's life, Nigel joined the crew o' *The Revenge*, captained by the infamous Toothless Willie.

Whilst sailin' under the black flag, Nigel spun ye tales o' high sea adventures and the rogues he sailed with, savin' his distrust for the treacherous Merciless Morgan. Yer heart was warmed by the treasures Nigel brought home whenever *The Revenge* docked, though ye saw him less than ye wished.

Tragedy struck two years past when the royal navy captured *The Revenge*, and yer beloved Nigel was hanged in the public gallows, his body left swingin' in the winds as a grim reminder o' the pirate's fate. With him swung Toothless Willie, both mourned by ye and Willie's kin, Cap'n Redbeard and Sharktooth Brandy.

Ye've spied some o' Nigel's former mates in town, includin' Thumbless Jacky and that scoundrel Merciless Morgan, now a first mate on *The Jaded Jewel*. It burns yer soul to see them livin' free while yer Nigel hangs cold and still.

Ye've also caught wind that Breathless Betty, the governor's daughter, is smitten with Morgan, unaware o' the heartache that comes with lovin' a pirate.

Hope glimmers on the horizon, for there be whispers that Rovin' Reynolds is seekin' Toothless Willie's buried treasure. As Nigel's widow, yer entitled to a share should it be found. With *The Jaded Jewel* anchored nearby, ye be plannin' to attend the jig at The Salty Sea Dog. There, ye aim to uncover the truth o' Nigel's demise, seekin' justice for him and peace for yerself, so ye may finally set yer burdened heart to rest.

*Acting and Dressing Your Part:* Arr, as ye prepare to step into The Salty Sea Dog for the jig, be mindful to don some black, for ye still sail the dark waters of mourning. Let the fabric speak of yer sorrow and the shadows in yer heart. For the lasses, a flowing black skirt paired with a ruffled white blouse, and for the gents, a dark, tattered coat over breeches. Adorn yerself with trinkets o' silver and bone, symbols of the vengeful spirit that stirs within ye. Carry yerself with a somber grace, eyes like the stormy sea, ready to unleash the fury buried deep in yer soul. *For more ideas on how to dress and act like a pirate—including a glossary of pirate words and phrases to use at the party, please see [www.nightofmystery.com](http://www.nightofmystery.com).
